## ABOUT FEIH

The Foundation for Education in Honduras (FEIH) is a charitable organization committed to providing education to children in high-need areas of rural Honduras. FEIH partners directly with local Honduran businesses and groups to renovate rural school buildings, provide school supplies to the children and teachers, and engage the school in cross-cultural activities in order to foster positive educational outcomes in the community.

## COCKTAILS WITH A VIEW

We are thrilled to host our eighth annual Cocktails with a View, FEIH's signature fundraising event of the year. The evening will include music, cocktails, hors d'oeuvres and a silent auction on the 50th floor of 601 Lexington Avenue. We look forward to honoring several of our FEIH supporters and volunteers for their outstanding contributions to our organization.

## HELP US MAKE A DIFFERENCE

This inspiring benefit event supports FEIH's efforts to provide the children of Honduras the education they deserve. With your continued partnership, we can continue making a significant impact on the improvement of rural communities in Honduras. FEIH invests the money we raise into school construction and educational programs to build sustainable, community-owned education projects in high-need areas of rural Honduras. Our team works closely with each community and project to ensure that every dollar is accounted for.
